

# Social Story for return to school

We have all been  
staying at home.

We have stayed at  
home because of  
coronavirus.

At home I have done  
lots of things, like  
playing and learning.

Schools have been  
closed,

but soon they will  
open again.

When I go back to  
school I will see some  
of my friends and  
teachers again.

Some things will be the same and some things will be different.

I can do some things to help me get ready to go back to school.

I can have a plan for when I go back to school.

I can get some good rest. I can eat healthy food. I can try on my school clothes.

There are people who can help me get ready to go back to school.

Now I can go back to  
playing and learning.
