## Summer 2 - EYFS

EYFS Area of learning	Summary
Reading Writing Com and language	Our final half term has been all about the farm. Due to Covid restrictions we couldn't visit a farm ..... so Mrs Laverick brought the farm to us! We had class chicks and completed some great writing about their growth and appearance. We have also completed a 'chick diary' and some instruction on how to wash our hands. We listened to lots of stories as usual including the Rainbow Fish and Peely Wally.
Numbers Shape, space and measures	In Early Years this term we explored our number to 20 and also some new learning on weight and capacity. We had lots of fun in the sand and water. We have also made tangrams and lots of different shapes.
Moving and handling Health and self-care	What a term it has been! We've had lots of Sports Day practise and completed some fabulous activities during Health Week. We've also completed Balance Bikes this half term and all had a really good try! As always, we love dancing in class and completed some very groovy moves.
Making Relationships Self-confidence and self-awareness Managing feelings and behaviours Peoples and Communities.	This term we have thought about how we are changing and thinking about our bodies. We have talked about what we can do, now we are nearly big Year 1s that we could do at the start of reception. Mrs Laverick is very proud of our achievements even though we have had this awful coronavirus lurking around! We have also named lots of our body parts including brain, heart, wrist, ankle and spine after we drew around a class member.
The world (Understanding the world)	We have explored our bodies and named lots of different body parts..... We had fun naming our elbows, heart, lungs and heels. We have also thought about healthy and unhealthy food and how to keep our bodies in tip-top condition. We have looked at the life cycle of a chick too!
The world (Understanding the world)	We have explored some of our local area and though about things we see every day as we walk to school that are part of our world. These include the beach, the church, the shops and our school.
Peoples and communities (Understanding the world)	
Technology (Understanding the world)	
Peoples and communities (Understanding the world)	This term we explored different places of worship and what they look like.
Exploring and using media and materials Being Imaginative (Expressive arts and design)	This term we have listened to lots of different music and made our own beat. We have kept the beat with our friends and moved our bodies to the beat.
Exploring and using media and materials Being Imaginative (Expressive arts and design)	We have completed some fantastic water colour self portraits this half term. Well done Reception!
Exploring and using media and materials Being Imaginative (Expressive arts and design)	We have made our own recycled materials models of different farm animals. We made cows, pigs, chicks, horses, sheep and dogs. Well done Reception, you have worked so hard designing, choosing, modelling and painting your animals.
Spanish	This term we have said Good Morning in Spanish!
