

Wow moment:

English text types

The children will love our topic this half term where we will look at different childhood stories. They will focus on the story The Three little pigs and look at how to defeat monsters. Throughout the half term, we will practise handwriting where we will focus on letter formation and the size of our letters. The children will work on developing their sentences by adding more information. Our non-fiction focus this half term is to create an explanation about how to travel through the forest safely.

Spelling:

- Common exception words (from model text).
- Words with consonant digraphs and some vowel digraphs
- oo as 'u' sound
- Words ending in -y, -ing, ed, -est

Maths

Tables and Mental Maths

MFL

Place Value and addition and subtraction - Across the half term the children will focus on the following objectives:

- understand teen numbers - what numbers are worth and how to represent each number.
- use a number line with greater accuracy.
- compare and order numbers under 20.
- Number bonds to 20.
- begin to count to 50.

- Count in 2s and 10s.

Throughout the half term, the children will learn the Spanish words for some jungle animals.

We will also focus on practising writing numbers up to 10 correctly with accurate number formation.

Science

Computing

PSHE

In Science this half term, the children will be developing their knowledge of awe and wonder through a range of different investigations where the children will be given the opportunity to work scientifically.

Linked to our English work, the children will recap properties of different materials and experiment building different houses by choosing the strongest materials that they can find around school.

- The children will develop their understanding of online safety using digi duck.
- They will also use the Bee-Bots to understand the basics of programming.

During PSHE in our Dreams and Goals topic, the children will be discussing how to set goals and how they may achieve the goals. They will also talk about and celebrate their achievements and how they might feel when they have to face an obstacle.

RE

In RE, the children will learn about why Jesus is so special to Christians. They will look at Jesus' life through different stories and develop their understanding of Christian values today based on Jesus - love, care, forgiveness helping others.

Geography

History

PE

N/A

Our History focus this half term is: History Detectives - Spot the difference. They will look at how houses have changed over time and will begin to make comparisons between the past and present. They will look at houses in Horden and changes in the local area.

This half term the children will be working on two different PE units. They will focus on Gymnastics where they will develop basic movements including running, jumping, throwing and catching, as well as developing balance, agility and co-ordination, and begin to apply these in a range of activities. They will also focus on a dance unit where they will focus on different ways of travelling.

Art

D&T

Music

In art, the children will focus on the topic Colour Splash. They will learn about primary and secondary colours and will use techniques in colour, pattern, texture, line, shape, form and space.

N/A

Our Music topic this half term is: How Does Music Make the World a Better Place? The children will listen to and respond to music and think about how different music makes them feel. They will use a selection of instruments and develop their ability to perform in front of each other.
